This book is for anyone who upgrades from their point-and-shoot, or for anyone who wants to jump into photography with the control and capabilities of a powerful DSLR. There's the manual, of course, as well as competing books, and while they all explain, often in 400+ pages, what the camera can do, none of them shows exactly how to use the camera to create great images! This book has one goal: to teach Canon T2l / 550D owners how to make great shots using their camera. Everything in the book is in service of creating a great image. Starting with the top ten things needed to know about the cam.

The Canon T2l with its many advanced features is one of the best selling DSLR cameras. With its low price, the T2l is aimed squarely at you, the serious consumer, who wants higher quality photos than your point-and-shoot cameras can deliver AND the flexibility of taking outstanding video. As a T2l user, you know that your camera is capable of capturing great photos. But if you're not getting the results promised, we'd like to present out new Stay Focused Guide for the Canon T2l. Liberally illustrated with dozens of before and after photos, we will clearly and easily show you how to fix many of the common problems that come up as you learn to use your camera's many impressive features.
