(34) Think not that I am come to send peace.--Truth appears again in the form of seeming paradox. Christ is "our peace" (Ephesians 2:14), and came to be the one great Peacemaker; and yet the foreseen consequences of His work involved strife and division, and such a consequence, freely accepted for the sake of the greater good that lies beyond it, involves, in fact, a purpose.

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally

acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

This document is a collection of Logia, a harvesting of about 114 "Sayings of Jesus" together with a prologue which stresses the esoteric character of the sayings and attributes their recording and preservation to the apostle Didymus Jude Thomas. Many of the sentences are identical with the Logia of the Synoptic Gospels or are closely related to them. Nevertheless, there are differences of detail which merit discussion and can often be elucidated as due to a particular source or tradition. The other sayings on the contrary are "extra-canonical". Among these are certain "agrapha" which are already known or can now be recognised in ancient or mediaeval literature from patristic, gnostic, Manichean or even Catharist sources. In particular the sayings written in Greek, which are found in more or less mutilated form in three papyri from Oxyrhynchus appear with certain variations but assembled and arranged in similar manner in three different

parts of "The Gospel according to Thomas". It is probable that extracts from apocryphal gospels such as the "Gospel according to the Hebrews" and the "Gospel according to the Egyptians" are also preserved in it. Besides this, the collection comprises many Logia which are quite new and have never before been seen.

"This is a fast, fresh, often hilarious first novel, by one of the remarkably talented young African writers who are rapidly making everyone else look stale" The Times Kingsley is fresh out of university, eager to find an engineering job so he can support his family and marry the girl of his dreams. Being the opara of the family, he is entitled to certain privileges - a piece of meat in his egusi soup, a party to celebrate his graduation. But times are hard in Nigeria and jobs are not easy to come by. For much of his young life, Kingsley believed that education was everything, that through wisdom, all things were possible. But when a tragedy befalls his family, Kingsley learns the hardest lesson of all: education may be the language of success in his country, but it is money that does the talking. In desperation he turns to his uncle, Boniface-aka Cash Daddy-an exuberant character who suffers from elephantiasis of the pocket. He is also rumoured to run a successful empire of email scams. But he can help. With Cash Daddy's intervention, Kingsley and his family can be

as safe as a tortoise under its shell. It is up to Kingsley now, to reconcile his passion for knowledge with his hunger for money, to fully assume his role of first son. But can he do it without being drawn into this outlandish milieu?

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

As first son, he has responsibilities, too. But times are bad in Nigeria, and life is hard. Unable to find work, Kingsley cannot take on the duty of training his younger siblings, nor can he provide his parents with financial peace in their retirement. And then there is Ola. Dear, sweet Ola, the sugar in Kingsley's tea. It does not seem to matter that he loves her deeply; he cannot afford her bride price. It hasn't always been like this. For much of his

young life, Kingsley believed that education was everything, that through wisdom, all things were possible. Now he worries that without a "long-leg"--someone who knows someone who can help him--his degrees will do nothing but adorn the walls of his parents' low-rent house. And when a tragedy befalls his family, Kingsley learns the hardest lesson of all: education may be the language of success in Nigeria, but it's money that does the talking. Unconditional family support may be the way in Nigeria, but when Kingsley turns to his Uncle Boniface for help, he learns that charity may come with strings attached. As this adventure comes to a head, friend and foe lay fatally scattered as Nels and Molly Odessa zeros in on despot Ajax Taliman whose acts of depravity and terrorism are legendary. His pursuits are funded by Sheik Abu bin Nidal from his terrorist training sanctuary in Khowski, Afghanistan. This Odessa saga is timely fiction, supported by recent events in the Middle East.

In the 1990s, headlines about declining caribou populations grabbed international attention. Were caribou the canary in the coal mine for climate change, or did declining numbers reflect overharvesting or failed attempts at scientific wildlife management? Grounded in community-based research in northern Canada, a region in the forefront of co-management efforts, these collected stories and essays bring to the fore the insights of the Inuvialuit, Gwich'in, and Sahtú, people for whom caribou stewardship has been a way of life for centuries. Ultimately, this powerful book drives home the important role that Indigenous knowledge must play in understanding, and coping with, our changing Arctic ecosystems.

The thief does not come except to steal, and to kill, and to destroy. John 10:10a NKJV Satan is the god of this world (see 2 Corinthians 4:4 and 1 John 5:19), is the "father of lies" (see John 8:44), and his job description is to "steal, and to kill, and to destroy." In order to achieve his aims, he most often lies to us and deceives us. Satan often disguises his forces to make them look like natural problems so you'll fight them with natural weapons. But you cannot fight a spiritual foe with natural weapons but with spiritual weapons, i.e. speaking God's word to the devil and his demons. Unfortunately satan can disguise himself as an "angel of light," so it is possible to be deceived by an innocent and apparently correct Christian teaching (see Matthew 24:4, 24:5; Mark 13:5,

13:6; and Luke 21:8). Often these inaccurate or incomplete teachings focus on God's love and blessings (thus appealing to our flesh and so lead us astray (see Mark 13:22 and 1 Timothy 4:1) and do not mention His greatness, or our need to obey Him and have a reverential fear of Him. This book aims to help reveal satan's lie and deception strategies and so empower Christians to live the Christian life that God intended. "Great book, interesting and well written based on solid evidence, documented, and not on flights of fancy or fanciful digressions or comforting in a fantastic book where you can find and discover the birth of the religion best known to the world. Through the dialogue structure, the reading is easier even if the terminology is researched and complex. At first glance it may seem pedantic, but you will be fascinated by the events described that so well dot the book." -- Kalyan Panja , Booktica - Book Reviews
