Min Johanna Rocher autora de Jesús es la Cura comenzó su vida cristiana hace cinco años en la Iglesia Pentecostal en Watertown NY. Luego de haber hecho una búsqueda incansable por la verdad de Dios, el Señor toco su vida y la transformó. Al poco tiempo de haber comenzado su vida cristiana un siervo del señor profetizo sobre ella que escribiría un libro que apelaría a los últimos tiempos. Cuatro años más tarde el Espíritu Santo ilumino a la ministro a escribir esta obra. Vivimos en los últimos tiempos y Dios quiere recordarte su promesa de vida eterna y salvación. Al leer este libro hallarán dirección de Dios a través de su palabra, alimento para el espíritu y sanidad. Jesús es la Cura es un libro para cristianos, no cristianos o para los que alguna vez conocieron de Dios y están alejados. Solo Jesús es la Cura!

The Cure of the Heart is a poetry book, completely equipped with Italian translations, about the life of a child overcoming and growing up in an Italian American household, with a parent who has been incarcerated since she was nine years old. It is based on true events and discusses the author’s personal experience with sexual assault, heartbreak, and insecurity issues. This powerful story is told through poetic stylistics and in chronological order of the author’s life. It is told through the heart of New York City, constantly surviving Brooklyn and Staten Island stereotypes. This title comes from the author using writing as a way to cope with everything she was forced to overcome.
