En pleine congruence avec l'ambition du Groupe Européen pour l'Administration Publique d'encourager les échanges interculturels, ce livre constitue une entreprise originale, mi-anglophone mi-francophone. Cet ouvrage issu du Congrès du GEAP 2010 a pour objet de combler un déplorable fossé et de donner une visibilité internationale au « cas français ». Dès lors ce livre, en 18 chapitres rédigés en français par une équipe interdisciplinaire (politistes, sociologues, historiens, socio-historiens, juristes) avec plus de 150 pages en anglais et une vaste bibliographie unifiée, entend offrir à tous les spécialistes de l'administration publique de par le monde un point d'accès unique au plus récent état des savoirs sur l'administration en France – ce pays où le mot État s'écrit avec un E majuscule.

===== In full compliance with the ambition of the European Group for Public Administration to encourage cross-cultural exchanges, this book is a genuinely original undertaking. It is a hybrid Anglophone-Francophone product. This book from EGPA 2010 Conference purpose to bridge a regrettable gap and to give

international visibility to the “ French case ” . Thus, this book, in 18 chapters written in French by an interdisciplinary team (political scientists, sociologists, historians, sociohistorians, jurists) with more than 150 pages in English and a vast unified bibliography, offers to all students of public administration in the world a unique entry gate to the latest state of the art of administrative studies in France – this country where the State is to be spelled with a capital S.
